

The Contract Office: Solution Framework

Temporary Workforce Procurement Solution from Innovative

What is The Contract Office?

Based on the Innovative "Full Disclosure" model, The Contract Office allows organizations to hire contract and temporary labor from the PAY RATE, instead of an arbitrary bill rate loaded with fees.

More than just a simple reduced-rate service, The Contract Office is a powerful contract workforce recruitment solution that supplies top talent hiring managers on a proactive basis. This allows managers to plan for projects, budget hourly labor costs, and react quickly at peak times.
