The Sourcing Office: Solution Framework

Building Human Equity

Harness the power of full Talent Networks and move beyond the “same old” job board solution

With the emergence of Online Social Networking and the abundance of aggressive placement firms competing for Internet Resumes, Innovative has designed a full back-office sourcing solution that delivers far more quality talent than popular premium boards.

Value to Corporate Recruiters:

- ✓ One Low Monthly Cost: Get Several Premium Boards for the Cost of One!
- ✓ Stop Searching through resumes and have them screened before they arrive
- ✓ Get your company involved in emerging tools and social networking
